

Dear F&DJFL Members

After consideration and discussion with the F&DJFL League Club Presidents, a player Registration Fee will be introduced for all players in season 2024 - capped at \$9.90.

This fee will enable the F&DJFL to cover operating expenses that accrue through Finals and Development Programs for Players, Coaches and Officials.

Traditionally the expense of each of these items has been covered by the F&DJFL through funds generated from the Finals entry fees.

What does this mean in season 2024?

This means that upon your Registration in Play HQ, there will be a fee of \$10.08 (\$9.90 + Play HQ Transaction Fee).

As a direct benefit of the Registration Fee, all finals across the region will be free of entry, as well as creating more development opportunities for players of all age groups at no further cost.

Regards,
League Commissioner – Fraser Bayne on behalf of the F&DJFL and its member clubs
