Teams / Player allocations

LJFC committee and coaches encourage players to play in their correct age group wherever possible. "Playing up" will be permitted in some situations if it does not impact on player numbers for the younger or older age group.
 "Correct age" players are given first preference in their age group.

◊ Total player numbers may be managed for teams with high numbers. This will be based on the age group of the Team in question and determined by LJFC Executive committee in consultation with coaches.

◇ The number of Teams per age group will decided by 1/03/2024, so that Team entries for F&DJFL and AFL SE can be submitted. Players must register before 1/2/24 so that player's numbers per team are confirmed for their age group. Unconfirmed existing Players and new players registering after this date, may be placed on a waiting list if team numbers are high and are being reviewed.

◊ If a waiting list is created for a team, players will be accepted into the team based on their position on the waiting list
