Sponsorship Packages 2019

President's Message

The Langwarrin Junior Football Club won its first premiership in 1929 and has been going from strength to strength ever since.

Today the club is recognised as one of the biggest football clubs in Australia, boasting approximately 700 junior and senior players along with our netballers.

Langwarrin Junior Football Club has been built on the right foundations and has a proud history. We are a family friendly club with an amazing atmosphere and community spirit, involving players, their families and the children.

The club has worked tirelessly throughout the past years to build a culture of togetherness and this will be continued through with commitment next season and beyond with a strong committee involved at both junior and senior levels. Integrating juniors and seniors gives everyone a feeling of belonging and a culture built of loyalty.

Langwarrin Football Club is about nurturing and developing its juniors and retaining its players right through the junior program.

Boasting strong junior numbers and a young and emerging seniors team playing finals, the club has high hopes of a strong future.

President's Message cont.

The sheer number of quality young players coming through the system is a foundation that most clubs can only dream about.

Major redevelopment of the three grounds at Lloyd Park in the late 1990's ensured the club will provide its players and families with arguably the best facilities in the area.

New facilities including new junior clubrooms were completed in 2012. Lighting has been installed on the main ovals to enable us to offer night matches.

We continue to lobby all levels of government for funding for improved facilities which will benefit not only the football club, but all users of Lloyd Park.

We wouldn't be able to do what we do without the support of our sponsors.

Langwarrin Junior Football Club offers various levels of sponsorship outlined below, so get on board and be part of a fantastic family club with a vibrant future.
